Inclement Weather Policy

In the event of inclement weather, Talk Time Therapy will implement the following plan:

- 1) We will use **Union County Schools'** closing decisions. If your child attends a school that follows CMS's calendar/closings, please note this in case of inclement weather (for example, if CMS is not closed, but UCPS is, your child will **not** have therapy unless your therapist contacts you).
- 2) Therapy will not be provided for the **first** day that **Union County Schools** are closed. After the first day, you will be contacted to discuss providing therapy on the following day.
- 3) We will try to contact you using your contact numbers (i.e., home phone, cell phone, email). Please keep us informed of number or email changes.
- 4) While we hope that this plan will not need to be used, please be patient and know that your child's therapy services are our highest priority, and will be resumed as soon as it is deemed safe and appropriate to do so.
- 5) Make-up sessions for inclement weather will be scheduled whenever possible.
